

Gatskop Spring 2009

24 & 25 October 2009, Porterville

Come and join the Overberg Paragliding club at the Spring Gatskop at Pampoenfontein in Porterville!

Registration: This should preferably be done prior to the event and submitted as per the details on the registration form. You have to be a registered member of a club if you want to fly for that club. Please note the reduction for early bird registration to assist us with our preparation. Please submit the attached registration form and submit to the OPC on overberg.gatskop@gmail.com or fax to 0866 589 319.

Tasks will be determined based on the weather conditions of the day.

Scoring: Distances must be submitted in person between 17:00 and 19:00 on Saturday and then between 14:00 and 17:00 on Sunday. GPS scoring is encouraged, but we'll have Google Earth on standby for those who don't have a GPS...

The competition fee includes admin, medic, retrieval, etc. The comp fee is R100 for early bird or R120 on the weekend. This is not refundable due to basic costs that need to be covered.

Site fee for the whole weekend (1 or 2 days) is R50. This is refundable if the whole comp is cancelled due to bad weather. If you enter on the day, the normal Pampoenfontein site fee of R30 will apply.

Social and supper as well as prize-giving will be held on Saturday evening in the form of a bring-and-braai. There will be a cash bar available and the Club will make fires ready. We are looking for more prizes to be donated – if you can help please call Ross on 084 54 99259.

T-Shirt: a high quality practical reminder of the event is being produced and will be available soon. Please indicate on the entry form if you will be interested in a t-shirt (this is not binding, but rather to help us get an idea of numbers).

Payment should be made via deposit or EFT into the Overberg Club bank account prior to 23rd October to qualify for the early bird registration:
